## Floor and environment protection

Using specially formulated neutral detergent chemical, Stone Soap is a biologically degradable combination cleaner in one step. Stone Soap can clean, polish seal and protect your floor.

**Can be used on all types of stone, concrete, terrazzo, timber and even vinyl flooring.**

## Waterproof and high glossy

Stone Soap creates a water and dirty repellent barrier each time it is applied that allows the floor to stay clear for longer than ordinary cleaners.

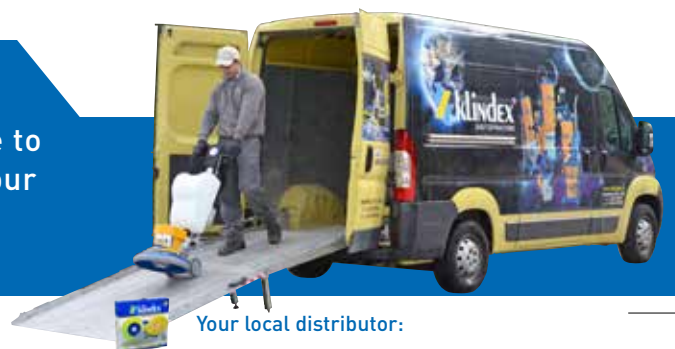

**Easy to use concentrate that can be used with floor scrubber or mop and bucket**
